

Privacy Policy for Cure GM1 TikTok Posting Tool

Effective date: March 23, 2026

Cure GM1 operates a private internal tool that posts Cure GM1 videos to TikTok using the TikTok API. This tool is a simple command-line script used only by or for Cure GM1 and is not sold or offered to third parties.

Information We Collect

This tool may access or process:

- TikTok authorization credentials and related account information needed to post content through the TikTok API;
- video files, captions, and related posting information provided by Cure GM1 personnel;
- limited technical logs needed for security, troubleshooting, or operational purposes.

How We Use Information

We use this information solely to:

- authenticate with TikTok;
- upload and publish Cure GM1 video content;
- maintain, secure, and troubleshoot the tool.

Sharing of Information

We do not sell personal information. We do not use information for advertising. Information is shared only as necessary with TikTok and service providers that support hosting, storage, security, or operation of the tool.

Data Retention

We retain information only for as long as reasonably necessary to operate the tool, maintain security, comply with legal obligations, and keep appropriate internal records.

Security

We use reasonable administrative, technical, and organizational measures to protect information and limit access to authorized personnel.

Children

This tool is not directed to children and is not offered for public consumer use.

Changes to This Policy

We may update this Privacy Policy from time to time. Updates will be posted with a revised effective date.
